EDUCATION

University of Washington

Bachelor of Science in Human Centered Design & Engineering

Seattle, WA

June 2026

RELEVANT EXPERIENCE

Tmind AI

UX Designer (Contract)

Seattle, WA

December 2025 – June 2026

- Led end-to-end UX design for an AI-powered platform supporting therapist supervision and matching.
- Conducted user interviews and translated findings into dashboards, wireframes, and high-fidelity Figma prototypes.
- Improved usability through iterative testing, design revisions, and stakeholder feedback.

University of Washington, HCDE Department

Undergraduate Research Assistant

Seattle, WA

March 2025 – June 2025

- Conducted qualitative research with K–12 students to evaluate engineering outreach activities and learning experiences.
- Designed and facilitated research sessions, synthesizing observations into actionable recommendations that improved curriculum accessibility.
- Collaborated with faculty and interdisciplinary teams to turn research findings into evidence-based design recommendations.

Changbal Society

Freelance Graphic Designer

October 2023 – November 2023

- Designed and delivered event materials, including posters, banners, and name tags, that helped attract approximately 180 attendees.
- Produced accessible visual assets while maintaining consistent brand standards across deliverables.

PROJECTS

StudySpot

Frontend Developer | HCDE 438: Web Technologies

- Developed a responsive React web application that helps students discover study-friendly cafes based on their preferences.
- Built reusable components with React, JavaScript, HTML, and CSS to create an intuitive and consistent user experience.
- Implemented search and filtering functionality to improve navigation and content discovery.

Leafy

UX Researcher and Design Lead

- Designed an AI-assisted feature that generates personalized plant characters based on users' plants and care preferences.
- Conducted user research to identify opportunities to increase engagement through personalization.
- Created wireframes and interactive prototypes to evaluate AI-powered user experiences.

ADDITIONAL EXPERIENCE

University of Washington Dining

Barista, By George Cafe and Orin's Cafe at PACCAR Hall

Seattle, WA

September 2025 – June 2026

- Prepared beverages, processed orders, and collaborated with team members to provide efficient service across two campus cafes.

One Bite Cafe

Barista

Woodinville, WA

March 2024 – October 2024

- Handled customer transactions and beverage preparation while maintaining an organized, welcoming cafe environment.
